36TH ANNUAL REPORT

The Management Committee of the Red Beach Surf Life Saving Club (Inc) presents for your adoption the 36th Annual Report and Financial Statement for the year ended 30th April, 1989.

THE 1988-89 SEASON

The club's 36th year of operation has again been one of growth along with the achievement of a handsome portfolio of successes. The competitive strengths of the club have certainly been to the fore, whilst on the administrative side we have now seen 12 months of restructuring. The overall management of the club has been the responsibility of a Management Committee whilst the day-to-day surf life saving matters have been handled by a Surf Committee. A positive aspect of restructuring is that much of the work-load has been spread around more members.

Membership

We have an all-time record of 137 active members, whilst the senior, junior and women's divisions have all reached new levels in numbers.

The 23% jump from 111 members last season, staggering as it may seem, has been due to the record number of 59 new members joining club ranks.

Our present level of membership would make Red Beach the largest club in the country, based on club returns from the season prior.

| | <u>84/85</u> | <u>85/86</u> | <u>86/87</u> | <u>87/88</u> | <u>88/89</u> |
|----------------------------|--------------|--------------|--------------|--------------|--------------|
| Seniors | 38 | 47 | 44 | 48 | 56 |
| Juniors | 17 | 28 | 28 | 29 | 46 |
| Women | 25 | 29 | 26 | 34 | 35 |
| TOTAL ACTIVE | <u>80</u> | <u>104</u> | <u>98</u> | <u>111</u> | <u>137</u> |
| Non-Active | | | | | 3 |
| Nippers | 95 | 107 | 129 | 123 | 121 |
| New Active Members | | | | | |
| Secured | 26 | 48 | 40 | 55 | 59 |
| Surf Medallions | 24 | 26 | 20 | 39 | 38 |
| Club Supporters | 570 | 557 | 669 | 637 | 669 |
| Squash - Senior | 191 | 173 | 167 | 154 | 174 |
| - Junior & Intermediate | 26 | 43 | 36 | 37 | 25 |

A total of 38 Surf Medallions were achieved, along with 3 Instructors Certificates. Thanks go once again to Chief Instructor Wayne Pritchard and his assistants for the time devoted to training all the candidates.

The Club Supporter category saw a lift in numbers to 669 to equal the figure of two seasons ago. This annual drive for funds by way of a mail drop throughout Whangaparaoa was again given good backing by club members to realise another very healthy return.

A decision was taken by Management to call a new surf canoe "Spirit of Hibiscus Coast" as a gesture of thanks to the support the club has received, especially in response to its annual mail drop over the years.

Nipper Membership remains healthy with 121 Nippers in club ranks. This can be attributed to the pre-season recruiting efforts of an efficient and well-organised Nipper sub-committee.

The Nipper division continues to be strategically important to the club, and it has solid support and backing from parents in the coaching of the youngsters.

For the Nipper division the season's highlights would have to be the highly successful trip to Australia in January 1989, along with the winning of the Nipper Lifeguard Points Trophy for the third consecutive year. The club has now won this on 9 out of 13 occasions.

To Wayne Pritchard, Maureen Jackson and the members of the sub-committee, the Management Committee extends its appreciation for the very valuable work carried out and the many successes achieved.

Squash Club

The Red Beach Squash Club has now completed 7 years of activities and we can be proud of the level of membership.

Once again the Management Committee acknowledges the tremendous amount of work being carried out by an enthusiastic team of squash members. This has led to success in the organisation of squash tournaments, interclub games, regular club nights and the coaching of members.

Fundraising

The season's nett fundraising figure of \$6,618 is down on the previous year's figure of \$7,715.

Nevertheless, the club's efforts have been wisely channelled into obtaining gear sponsorships and we can thank Brian Heron of B.H. Heron Plumbing for the magnificent sponsorship of a new surf boat and double ski which were launched in October 1988.

To Brian Heron we express tremendous appreciation for such a fine gesture.

There is a recognised need for ongoing fundraising efforts and the club is constantly on the look-out for innovative ideas and suggestions. The club will be calling on members to help raise funds for the trip to Christchurch in March 1990 for the Nationals.

The main methods of fundraising employed last season were:

| | | |
|-----------------------|------------------|-------------|
| Club Supporter Scheme | Sponsorships | Flea Market |
| Fundraising Dinners | Las Vegas Nights | Raffles |
| Carnival Tuckshops | Sunscreen Sales | |

The 1987-88 winner of the Auckland Coin & Bullion Cup for Best Fundraising Achievement was Lance Richards. The 1988-89 winner will be named at the A.G.M.

Committee Meetings

The management re-structuring provided for an Overall Management Committee to handle administrative matters, finance and strategic direction. A separate Surf Committee managed the day-to-day surf business of lifesaving, patrolling and competition.

During the year there were 12 meetings for each committee and members attended as follows:

| <u>Management Committee</u> | <u>Present</u> | <u>Apologies</u> | <u>Comment</u> |
|-----------------------------|----------------|------------------|------------------|
| E. Taylor | 11 | | |
| R. Malyon | 11 | 1 | |

| | | | Last Yr: 18 |

Gear

The club continues to channel a large amount of money into new equipment and regular reviews of gear are held to ensure that we keep pace with requirements as membership numbers increase.

Special mention must be made of the efforts of George Cowper for the sterling work carried out in maintaining club gear. In his two years as Gear Steward, George has put in a lot of time and effort to ensure rescue-worthy equipment at all times, and to maintain a semblance of order in the gear room.

During last summer a special outside lock-up area was constructed to house Nipper boards to alleviate the space problem in the main gear room.

A prime problem is the lack of concern by some club members in the care of gear. Mishandling or even careless handling of boards and skis has resulted in a big jump in gear repair costs. Greater awareness of this problem area will call for more vigilance and attention in the coming season.

Clubrooms

When the new clubrooms were officially opened in March 1983 it was acknowledged that the club would become involved in maintenance costs a few years down the track. This has proved correct and we are now seeing ongoing activity in maintenance and upgrading.

A big thankyou to Custodian Colin Ash for his efforts in this area, and to Harold Bramble for his great supportive work.

The matters of foreshore work and the provision of a concrete ramp down to the beach are still in the discussion stage with Rodney County Council. However, it is now hoped we can move quickly to finalising these two matters.

There are plans afoot to enlarge the present First Aid Room by taking over the seldom used Locker Room.

Conclusion

The club began the 1988-89 season on the same buoyant footing as it did during the previous season.

The only difference was the rapid surge in membership over the past summer which saw active numbers steadily rise to 137.

There were several schools of thought on the impact of the increased numbers, however, any negative feelings soon waned.

Competition successes have again been to the fore and Red Beach has established itself as Auckland's top competitive club for the fourth successive year.

It is worth restating that the club is most fortunate in having an excellent depth of administrative talent. This is greatly aided by the fine calibre of membership within club ranks.

Subject to only some fine-tuning, the restructured management and surf committees have been a successful innovation, and a large number of individuals continue to work unstintingly for the betterment of the club.

While some members have been singled out for mention in this report, there will always be the unsung heroes who contribute much time and effort. Rest assured that your efforts are not going by unnoticed.

To everyone who has contributed, whether it has been on a large or small scale, the club extends a very big THANK YOU.

For the Management Committee,

R.W. Malyon,
Club Secretary

Brian Heron of B.H. Heron Plumbing gives the new surf boat and double ski a champagne launch at Red Beach on 30th October 1988.

PRESIDENT'S REPORT

What a year for the club, a magnificent sponsorship from Heron Plumbing, 39 Nippers and supporters toured Australia, Steve Richards and Geoff Small in the NZ Surf Team, Chad Sunde the National U-15 squash champion, cleaned up at the Auckland Surf Champs and had a successful NRC & National Champs.

The club is deeply indebted to the generosity of Brian Heron of Heron Plumbing Ltd for his five-figure sponsorship which enabled the club to purchase a desperately needed new surf boat and other lifesaving equipment. Thankyou Brian.

The Nippers finally departed under the helm of Wayne Pritchard and Maureen Jackson plus many others, after 12 months of extremely innovative fundraising on their tour of Australia to gain experience in surf lifesaving and life in general. To Wayne, Maureen and your team, thanks. You stood our club in high esteem.

The club also acknowledged the long-standing support of our local community by naming a canoe in their honour - "Spirit of Hibiscus Coast". I don't think these people realise just what their support means to the club.

The club continues to grow in all sections. Especially pleasing is the Squash division which saw a membership drop of 20% nationally. Around the clubrooms things are happening. A new PA system proved its worth on numerous occasions, the maintenance team are sorting out priorities between re-decorating our main lounge, repainting outside, a new Honours Board more in keeping with our current structure.

The one area of disappointment is the lack of progress on the foreshore, ramp and pad in front of the clubrooms. Maybe one day we will make progress in this area.

Our investment last year was a computer which is now proving its worth by giving us much tighter financial controls and ease with mailing lists etc.

The new club management structure which came into effect a year ago has certainly eased some burdens on certain members. With a bit more fine tuning and acceptance from the members I can see this structure working well for the club in the future.

To all the people who worked hard to make this club so successful. THANK YOU.

E.P. Taylor,
President

CHAIRMAN'S REPORT

The past season has been a trying one for the Surf Committee which was the first year under the new management structure. Unfortunately we were not prepared for the sudden influx of new members and along with some management personnel we were, as a management team, unprepared.

However, several aspects have been looked at, the problems have been identified and these will be remedied for the coming season.

Patrols

Our main function at Red Beach is patrolling and this was carried out with reasonable satisfaction. As always, there were a few members who let the club down by either not carrying out their rostered patrol or arranging a replacement.

Lewis Cole and then his replacement Graeme White are to be thanked for the efforts they put in as Patrol Captain. Rodney Kidd put in another fine season as Powercraft Officer and must be thanked for his sterling work.

Remember, it is up to you as patrolling members to carry out your obligations. Next season we will be enforcing the patrol penalty for defaulters.

Competition

Red Beach again showed its strength by winning the Auckland Championships and the Steinlager Trophy (renamed the Lion Red Points Trophy) for the fourth consecutive year.

Each year when we seem to be purring along nicely at the Auckland carnivals and appear ready to have a crack at the NZ Championships we somehow stumble at the finish with bad luck and defections.

Next season we will need more committment from our competitors to stay out in front and line ourselves up for the big one.

Congratulations must go to all our coaches who devoted their time and spent many hours on the beach helping our members to become better competitors and hopefully medal winners. Many thanks to Pinky, Bricko, Gurtz, Wayne, Cherie, Blouse, Gary. We must not forget the other clubbies who pitched in and helped throughout the season with gear transportation and repairs, team management etc. A special thanks to Geoff Small as Team Manager and George Cowper as Gear Manager.

National Honours

Congratulations to Steve Richards for making the NZ Team for the Trans-Tasman Test against the Australians in Christchurch, and Geoff Small who was appointed NZ Team Manager.

Further congratulations must go to Steve Richards and Mark Scheib on selection for the NZ Kayak Team to tour Europe and Nicola Cambie on being selected for the NZ U-21 Kayak team.

The successes of Red Beach over the years has been due to a total team effort whether competing, patrolling or socialising.

Part of the team has been the committee who serve you and I would like to thank all committee members for their efforts throughout the year. The other part of the team are all those people who work behind the scenes, namely parents and supporters - please accept my thanks for your support.

Already we are getting geared up for next season and with the current talent that has come forward for the key management positions, I have the feeling that in 1989-90 Red Beach will again be booming.

Lance Richards,
Surf Committee Chairman

The launch of "Spirit of Hibiscus Coast" on 26.3.89

NIPPER REPORT

Once again another year has come and gone with the Red Beach Nippers again proving to be the top club in Auckland.

After a year of fundraising our Australian trip became a reality with the team leaving Auckland on the 6th January for 12 days of competition and fun for 52 people.

Carnivals at Bronte, South Maroubra, Avoca and North Entrance saw some great results for competitors in all the age groups.

The North Entrance Junior Carnival with 23 clubs competing saw Red Beach gain medals in the following events:

| | | | |
|--------------------------|-----|--|----------|
| Girls Beach Flags 13yrs | 3rd | Janine Abbott | (Bronze) |
| Mixed Beach Relay 13yrs | 2nd | Janine Abbott, Rochelle Ahern, Wynand Hoogerbrugge, Matthew Cardey | (Silver) |
| Girls Beach Sprint 13yrs | 2nd | Kelly Piper | (Silver) |
| Girls Beach Flags 13yrs | 1st | Kelly Piper | (Gold) |

Others to perform well on tour were:

| | | |
|-------------------------|-----|------------------|
| Boys Beach Sprint 11yrs | 4th | Jared O'Sullivan |
| Girls Surf Swim 12yrs | 4th | Kylie Mexon |
| Boys Surf Swim 8yrs | 5th | Brad Mexon |
| Boys Surf Swim 12yrs | 4th | Adam Jackson |

It is worth mentioning that Adam Jackson performed with great consistency throughout the tour which itself was a great success and a first for a Nipper club from New Zealand touring overseas. A full report has been submitted to the club's Management Committee.

From three Nipper carnivals held during the season, Red Beach won the first on our home beach but lost the second by just a few points at Mairangi Bay. The final carnival at Piha was a great day with a small even surf to suit all. Red Beach again ran out second on the day but managed to come out top overall on points over the three carnivals. Ironically, at the start of the season the club opposed the new points system but was certainly happy to accept the Cath & Eddie Millar Points Trophy!

A visit from the Ruakaka Nippers for a weekend saw a very low-key carnival at Red Beach prior to travelling through to Mairangi Bay for the second Nipper carnival.

A trip to Omanu at the Mount for a weekend saw all parents and children have a very enjoyable weekend away. Competitors from Red Beach again showed the Bay of Plenty Nippers a clean pair of heels.

Closing Day and Prizegiving were once again enjoyed by all and we can certainly look forward to next year with great enthusiasm. The club has some great Nipper competitors in its ranks so lets look after them.

I would like to take this opportunity to thank all the parents who supported us with our Australian trip as well as all the parents who helped on the beach whenever asked. Thank you.

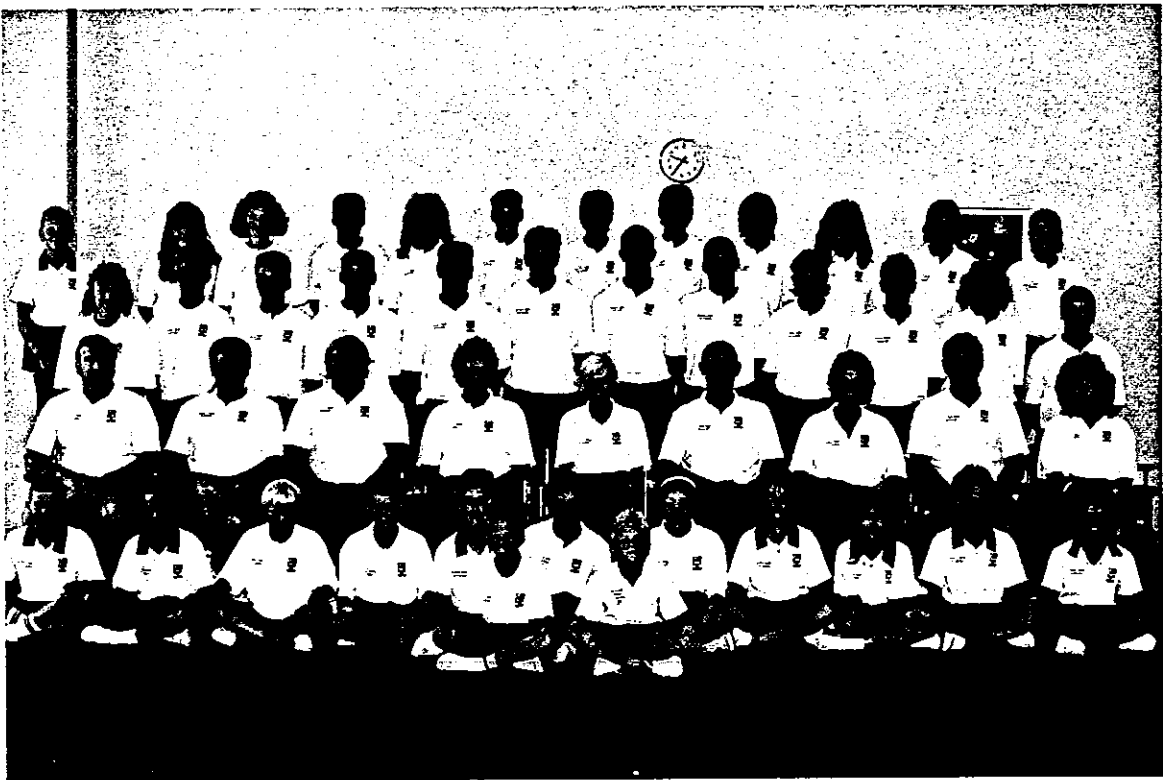

To the Red Beach club members for helping out on Sundays with Nipper coaching whenever asked, even if it was cold and miserable. Thank you.

To the Red Beach Management and Surf Committees for all the help you have given the Nipper division over the past 12 months and more. Thank you.

To Nipper secretary Maureen Jackson and my committee, a very big thank you for contributing towards a tremendous 1988-89 surf season and a very successful one at that.

Roll on 1989-90.

Wayne Pritchard,
Chairman, Nipper Committee

The Nipper touring team prior to their departure for Australia on 6th January 1989.

AUDITORS' REPORT

I hereby certify that I have examined the books and records of the Red Beach Surf Life Saving Club (Inc.) as supplied to me and have obtained all the information, evidence and explanations I have requested. Because of a change made during the year to accounting procedures adopted by the Club, it has not been possible to fully verify all transactions which have taken place during the year.

The foregoing accounts have been prepared on a historic cost basis making provision for depreciation on all the assets of the Club as set out in the schedules attached to the accounts. Provision has been made for subscriptions received in advance and accounts owing at balance date. No adjustment has been made for changes in purchasing power of New Zealand currency.

Subject to the above qualifications in my opinion the foregoing statements of Income and Expenditure and Assets and Liabilities show a true and fair view of the financial position of the Red Beach Surf Life Saving Club (Inc.) as at 30 April 1989 according to the information and evidence supplied to me.
