The construction work for the new deck began when a digger moved onto the clubrooms site on 23<sup>rd</sup> August 2008 to begin the excavation work.

The club was able to call on a vast amount of volunteer labour for the deck construction.

# 56<sup>th</sup> ANNUAL REPORT

The Management Committee of the Red Beach Surf Life Saving Club (Inc) presents for your adoption the 56<sup>th</sup> Annual Report and Financial Statement for the year ended 30<sup>th</sup> April 2009.

## THE 2008/2009 SEASON

The club has now completed its 56<sup>th</sup> year of operation and the way in which the season unfolded is documented in the following pages by way of reports and photographs.

The past season has again been tremendously successful for the club. The season's activities have been recorded in the Highlights section on pages 12 & 13.

After many years of waiting for the new deck, a start was made to construction in August 2008 and the project captivated the entire club. Whilst not having access to it until early-February, we can clearly see the potential it offers us.

Friday night meals and Sunday breakfasts are proving very popular and we can but speculate what the coming summer will bring us in terms of diners using the deck.

### Membership

Active membership, at 97, is showing the third consecutive increase. There has been a 59% increase in this category since the 2003/04 season when there were 61 active members. The past summer saw five surf boat crews on the water, with crews contributing to the healthy membership numbers.

The Associates/Supporters category is also showing its third consecutive increase in numbers and this can be attributed to signing up members to meet the requirements of our club licence.

JuniorSurf numbers remain healthy and the division can point to its most successful season on record with regard to what was achieved in competition, see page 13.

### Fundraising

Fundraising during the past season saw the following methods employed:

'Super Six' Sponsorships	Family of Sponsors	Pub to Club Event
Grants	Meat Raffles	Club Supporter Scheme
Open Water Swim	JuniorSurf Quiz Night	National Jandal Day
BBQ's at Bunnings & The Warehouse		Xmas in the Park

In December 2008, Red Beach lifeguards Karl Bogue and Ashleigh Allport travelled to Australia for the annual Red Beach/Collaroy Lifeguard Exchange.

Four Red Beach lifeguards were named in the SLSNR team to contest the biennial Trans-Tasman series against NSW Country and Central Coast branches from Australia.

## Grants & Donations

We are indebted to a number of organisations for the grants and donations received during the 2008/09 season. We express our thanks to the following:

<b>Grants</b>	Lion Foundation	Perry Foundation	NZ Community Trust	Pub Charity
<b>Donations for Equipment</b>	Baycrest Village	Silverdale RSA	Rodney District Council	

## Club Website

The club website continues to receive an increasing amount of visitor traffic. Since the launch on 22 December 2006, the site has notched up some interesting statistics:

In 12 months since launch:	10,000 hits	Period to July 2009:	70,000 hits
In 26 months since launch:	50,000 hits	Record month, March 2009:	5,257 hits

Updating the website on a regular basis demands an enormous amount of time, however, it is worth the effort for the reasons of communication, attracting members, generating income and marketing the club. There is still much development work to be carried out; this will be achieved progressively. The site continues to receive positive feedback with the photo essays being one of the most popular features. We have a continuous stream of new ideas and with this the website will continue to evolve. Plans are being worked on to introduce advertising to the site and generate revenue for the club.

## B H Heron Red Beach Lifeguard Development Trust

Again we extend our thanks to Bryan & Pat Heron for their ongoing support for the Lifeguard Development Trust. In May 2009 a new Trust Deed was put in place, however, the objects of the Trust remain the same.

## Awards

### Surf Life Saving New Zealand - Awards made in September 2008

**Ed Richards:** The club's JuniorSurf chairman **Ed Richards** was the recipient of a **Distinguished Service Award** at the SLSNZ awards function held in Wellington.

**Michelle Newton:** Red Beach stalwart and surf boat arena official **Michelle Newton** received an SLSNZ Service Award.

### Surf Life Saving Northern Region - Award made in June 2009

**Peter Olsen:** Red Beach stalwart **Peter Olsen** was presented with a **Service Award** at the SLSNR Awards of Excellence Night. Peter is a familiar figure in the surf boat arena at surf carnivals.

*To all of the above award winners, heartiest congratulations.*

## Conclusion

There is a common resolve within the club to remain strong and to keep moving ahead to meet the best interests of both the club and its members. To everyone who has made a contribution over the past season, be it great or small, the club extends a very big THANK YOU.

For the Management Committee

# HIGHLIGHTS OF THE 2008/2009 SEASON

- The sixth annual **Pub to Club** event from Puhoi to Red Beach took place on Sunday 20<sup>th</sup> July for single ski and double ski paddlers as well as kayakers.
- Red Beach lifeguard **Erin Taylor** became the first-ever female kayaker to compete for New Zealand at an Olympic Games when she raced in the K1 500m at the Beijing Olympics in August 2008.
- **Deck Project:** A digger moved onto the clubrooms site on 23<sup>rd</sup> August 2008 to begin the excavation work for the new deck.
- On September 6<sup>th</sup> the annual **90 Mile Beach IRB Challenge** took place. Three Red Beach crews participated.
- Red Beach members swam in the **SLSNR Pool Championships** held at the Millennium Centre on Auckland's North Shore on 13<sup>th</sup>/14<sup>th</sup> September.
- In September 2008, two Red Beach members were recognised at the **SLSNZ Awards** function held in Wellington. A Distinguished Service Awards went to **Edwin Richards** and a Service Award was presented to **Michelle Newton**.
- The **Long Distance Carnival** to start the season was held at Orewa in calm conditions on 27.9.08.
- The mass **Lifeguard Refresher Day** took place at Orewa on Saturday 11<sup>th</sup> October.
- **Red Beach** headed off Piha by just 9 secs to win the annual Puhoi **Pub to Club** surf boat challenge on Saturday 1<sup>st</sup> November. Ten crews took part, including 3 women's crews.
- The 2<sup>nd</sup> annual **National Jandal Day** took place on 5<sup>th</sup> December as a fundraiser for surf lifesaving.
- In December, Red Beach lifeguards **Karl Bogue & Ashleigh Allport** travelled to Australia for the Annual Red Beach/Collaroy **Lifeguard Exchange Scheme**.
- In December, four Red Beach lifeguards were named in the SLSNR team to contest the biennial **Trans-Tasman Series** against NSW Country and Central Coast branches. Selected were **Chris Moors, Dylan French, Caitlin Ryan** and **Elise Cuff**.
- On January 10<sup>th</sup>, Red Beach won the 53<sup>rd</sup> **Owen Chapman Cup Carnival** by a margin of 53 points, giving the club its fifth consecutive win. A record 375 competitors took part including teams from NSW Country and Central Coast branches.
- The second annual **Super Surf Camp** was held at Red Beach on 12<sup>th</sup>/13<sup>th</sup> January. Aimed at youngsters aged from 8-14 years, it was conducted on the same lines as the JuniorSurf training camps held in Australia. Heading the camp was Brett Dowker, the Australian National High Performance head coach.
- At the **NRC's** held at Mt Maunganui during Anniversary Weekend, Red Beach finished in 7<sup>th</sup> spot, winning six titles. Could we ever forget the green sea lettuce washed up on the beach?
- At the **Lion Foundation Surf League** at Mt Maunganui on 7<sup>th</sup>/8<sup>th</sup> February, three Red Beach members competed in the rep teams. **Chris Moors** was selected for the SLSNR Open team, and in the U-19 team were **Sam Cosgrove & AJ Maney**.
- Selected for the **SLSNR U-16 & U-14 teams** at the Inter-Districts held at Mount Maunganui were: U16 – **Elise Cuff**. U14 – **Joshua Pickering-Ross** and **Tyler Baldwin**.
- At the **Auckland Championships** held at Ruakaka on 14/15 February, **Red Beach Masters** competitors won the inaugural **Lifeguard Masters Points Trophy**.

- **Red Beach** won the **Up&Go Auckland JuniorSurf Championships** at Orewa Beach on 22 February by a massive 334 points clear of its nearest rival. It was the second consecutive overall points win.
- At the **SLSNZ U14 Ocean Athlete Championships** held at Mount Maunganui in March, **Red Beach** collected 14 medals comprising 8 Gold, 3 Silver and 3 Bronze medals to finish in 3<sup>rd</sup> place overall, the club's best-ever result. Red Beach's stand-out performer was Izaak Scheib who collected 4 gold medals in the U-11 age group.
- **Red Beach** won the Southern Trust **Rookie Challenge** for the third consecutive year. Competing at Omaha on 7<sup>th</sup> March, the five-person team was one of 22 club teams participating. Red Beach had a winning margin of 10 points. Another Red Beach team finished in 7<sup>th</sup> spot.
- On 8<sup>th</sup> March at Mairangi Bay, **Red Beach's** two JuniorSurf teams contesting the **Cath & Eddie Millar Cup** delivered a rare quinella by finishing first and second in the 2009 challenge. Eleven teams participated. It was the seventh consecutive occasion that Red Beach has won the cup.
- At the **New Zealand Championships** at Midway Beach, Gisborne in March, **Red Beach** finished in fourth spot on overall points, collecting 4 Gold, 6 Silver and 8 Bronze medals. Red Beach was the top finisher amongst the SLSNR clubs competing at Gisborne.
- In May, the club held its annual Prizegiving Night with **fluoro** as the theme.

The Monty's Mavericks surf boat crew became the very first women's boat crew from Red Beach to win a national surf boat title. The crew took out the gold medal when they won the short course boat race event in Gisborne, and collected a bronze medal in the long course event. The crew is based in Whakatane. From left: Monty McGougan (sweep), Carla Goodhew, Christina Douglas, Whytnee Rio, Annette Hahipene.

## CLUB PRESIDENT'S REPORT

Our 56<sup>th</sup> year may well be remembered more for activity off the beach, off the court and out of the water than would normally be the case. The 2008/09 season can fairly safely be labelled as the "year of the deck" as not since the present clubrooms were completed in 1982 has there been a similar level of building (and demolition) activity.

At the time of writing this report we have largely completed the deck construction - with some finishing work to be completed - and are half way through the revamp and extension of the downstairs ablutions. With this work completed, some new paint and curtains upstairs and in the foyer, a bit of a tidy-up of the tar seal and outside building area and some furniture for the deck (and possibly a coat of paint on the exterior) our total spend will be nearing \$200,000 plus numerous volunteer hours and donations of goods. This is/was Stage One of a three-stage project that also includes a revamp of the current kitchen, bar and lounge area and the construction of a third squash court. The all-up cost is estimated to be around the \$0.5 million mark, so with the coffers more than drained in completing Stage One we have some fairly serious fund raising to do to meet the aspirations of members for a truly top class facility.

Unfortunately, even surf life saving clubs are not immune from the current economic ills and with the incomes of the charitable trusts on whom we have relied so much for funding severely hit, we are increasingly having to look at other ways to raise funds and/or secure loans. As the annual accounts show, the turnaround in performance of the bar has been both satisfying and timely. Complemented by the excellent Friday night dinners and Sunday brunches served up by Greg and his team, the bar is now generating a fairly steady level of return that allows us to both improve the day to day club operation and continue to invest in the redevelopment of the club facilities. While it is hoped that the current contributions to club operations made by the three 'operating' divisions, Squash, SeniorSurf and JuniorSurf may eventually be 'retired' a decision was taken this year to maintain these while we are heavily investing in the club's redevelopment.

### Sponsors

We must also acknowledge and thank our sponsors for their continued support both with our facility improvements and the general costs involved in running effective beach patrols, surf sports and squash events over the course of the season:

**Albany Timber Distributors**

**Cranston Homes**

**Baldry & Sanford**

**Orewa New World**

supported us as Super Six Sponsors as did our Family Sponsors, namely:

**Carpet Plus, G J Gardner Homes, North Harbour Law, Silverdale Liquor, Subway Whangaparaoa, and Pinewoods Motor Camp.**

We trust you see and receive value in your support of Red Beach Surf Life saving Club.

This season also saw an acknowledgement of 30 years of support by **B H Heron Plumbing** and our club patron and life member Bryan Heron.

On the beach, our lifeguards completed 2,628 hours of lifeguarding, completing three rescues, four searches and 20 First Aid assistances. Perhaps equally importantly our patrols scored an average 98.6% in the five patrol audits over the length of the season. Red Beach members also filled 13 of the 81 Regional Lifeguard positions

**Surf sports** action kicked off in September with the 'petrol heads' again competing in the annual '90 Mile Beach Classic'. While maybe not a vintage season, we finished with the Owen Chapman Cup remaining in the cabinet, a second at the District Champs and a 4<sup>th</sup> (and best Northern Region club) in a very 'frustrating' National Champs. The real highlight, however, was the winning of the inaugural Masters trophy at the District Champs.

Although JuniorSurf numbers were down on previous seasons, this certainly wasn't reflected in results with the club making pretty much a clean sweep of everything entered including the District Champs, Cath and Eddie Millar Cup and Rookie Challenge plus a number of individual successes at the Ocean Athletes event.

Despite having to juggle play (and showers) around the current renovations to the downstairs ablutions, squash members have had another successful season hosting a number of tournaments and business house squash. Congratulations to Sarah Agi who has joined Lisa Cowland in the New Zealand rankings. Thanks guys for your patience! The results will be worth the inconvenience.

Red Beach's contribution to the wider surf life saving community was recognised with Michelle Newton and Edwin Richards receiving SLSNZ Service Awards and Peter Olsen a SLSNR Service Award. Dean Pouwhare was a very deserving winner of the SLSNR Volunteer of the Year award.

In addition to those deservedly and 'officially' recognised, there are a number of people who have contributed to our ongoing success and perhaps none more so than Debra Cairns, our hard working and efficient club administrator. My thanks to Debra and all the other volunteers for their various contributions to the Red Beach club.

Many people will be aware of 'Project Groundswell' the current strategic review being undertaken across SLSNZ. The objectives of this review are to create a more efficient and sustainable movement from club through to national level that reduces the administrative burden on volunteers and hopefully delivers more enjoyment to members. While it appears most clubs in the Northern Region are in general agreement with the principles of Groundswell, there are some serious concerns about the proposed solutions. SLSNR are to be commended for the way that they have sought feedback from the clubs and Red Beach has been actively involved in all discussions and reviews to date. "Watch this space".

As always in June and July, the next surf season seems a long way away. The reality is, however, that our 57<sup>th</sup> season is only a little over two months away and there is an awful lot to be crammed into the remaining off-season to make next summer a success.

So, if you feel like you can contribute in some way to the current building project or some other aspect of YOUR club, don't feel embarrassed to put your hand up.

**Mike Taylor, Club President**

**At the Auckland Championships held at Ruakaka on 14/15 February, Red Beach Masters competitors won the inaugural Lifeguard Masters Points Trophy.**

## SURF COMMITTEE CHAIRMAN'S REPORT

The SeniorSurf division has had another very successful season culminating in a well-deserved fourth placing at the Gisborne Nationals in very trying conditions. For the second year in a row Red Beach has been the top Northern Region performer at the Nationals and this is testimony to the amazing talents and skills of and hard work put in by the athletes, the coaches and the parents. Individual and team performances throughout the season have resulted in the club again being recognised as one of the top surf sports clubs in the country. I congratulate all concerned.

This Annual Report has a section on notable athletic and other achievements during the year and I won't repeat those here in this report (see pgs 12, 13). Suffice to say, during my second term as chairman I have been proud of the achievements of our members, be it in the surf sports or related sports arenas or in the surf lifesaving arena.

The SeniorSurf committee this year has had some real challenges and has risen to these really well. The "new faces" including Tamar Hart (treasurer) and Petra Bogue have provided a different perspective on things and challenged the committee to be more innovative and more supportive, particularly of the younger members of the division who will one day hopefully be "old hands" themselves. Tamar and Petra, along with our wonderful Club Administrator Debra Cairns (in particular) have provided much needed additional support for Vaughan's and the committee's endeavours and they deserve our heartfelt thanks for this.

The boaties led by Chris McCullough and supported by Craig Dillon have again achieved great success and it looks like the future in surf boats at our club is assured by the endeavours of these two gentlemen, our club's principal sponsors Bryan & Pat Heron and all the other dedicated and talented surf boat members.

The "older hands" on the committee including; Claire Maney (Minutes Secretary), Phil George (Gear Steward), Brian Maney (IRB Instructor), Dean Pouwhare (IRB Manager, Asst Sports Coach and Team Manager) and Mike Taylor (President and member of the SeniorSurf Committee) and our Head Coach Vaughan Skiffington also deserve recognition and heartfelt thanks for their dedication and hard work throughout the year. I have been very proud to have worked to your benefit alongside all of these great people.

The way I see surf lifesaving is that just a few amazingly talented and dedicated people make such a huge contribution to the well-being and safety of NZ's population and visitors. I am proud to say that Red Beach Surf Life Saving Club does its fair share in meeting Surf Life Saving NZ's mission - "Preventing drowning and injury in New Zealand" and in making our beaches safe and enjoyable for beach-goers, fishers, boaties and others using what is our country's most revered asset (the coast).

There are some significant things happening including Surf Life Saving New Zealand's "Project Groundswell" which is likely to have some impact on club funding and national and regional support structures and priorities. There is also the impending Local Government Reorganisation (amalgamations) in Auckland (Super City) which may again affect funding and will affect organisational relationships. I am pleased that an initiative by the local Coastguard earlier this year is likely to result in a closer working relationship between the local emergency services and our club. These things and others are going to result in challenges for the incoming SeniorSurf committee. These are, however, exciting times offering opportunities for our club to move forward and improve in all its areas of operation.

We can also be very pleased and proud of our new club facilities - the deck and new downstairs ablutions - which, without the generosity of our sponsors and the hard work and dedication of our project team (in particular, Steve Golder, Craig Dillon, Phil George and Bob McConnell) and their volunteers, would not have happened.

I would also like to take this opportunity to congratulate the club's JuniorSurf division which has had one of its most successful years to date and to thank the club's Management Committee, including the Webmaster (Ross Malyon) and the club's sponsors for their ongoing support for our division's activities throughout the year.

Finally, my best wishes and support to those who will take on the SeniorSurf division leadership roles for 2009/10 year and to all of our surf competitors, coaches, lifeguards and parents, I would like to express my sincere best wishes for an even greater 2009/10 season.

**Chris Randell**  
**Surf Committee Chairman**

The duo of Sam Cosgrove, left, and AJ Maney were double gold medallists at the 2009 NZ Championships in Gisborne, winning the U19 Men's Board Rescue & Tube Rescue events.

## JUNIORSURF DIVISION - CHAIRMAN'S REPORT

It is with pleasure that, in reflecting on the close of the 2008/2009 season, I am able to submit this report as Chairman of the Red Beach JuniorSurf division.

Over the past seasons in my annual report as Chair I have been able to provide a long list of achievements, positive steps forward in a developing junior programme and offer thanks to an increasing number of folk whose dedication and enthusiasm has seen the Red Beach Junior Club develop into what I believe would be hard to rival, making it a very prominent supplier of an enjoyable and rewarding programme to our community's young people.

This past season has been no exception as it has developed and grown on these foundations and processes.

With an ever-increasing pot of choices for our young people to pursue it is pleasing to see that our member numbers remained relatively consistent with the previous season's levels.

Without the support of numerous individuals, families and businesses, these levels would not be achievable and to this end I would like to offer, on behalf of the club, our sincere thanks for your contributions. From those families who kindly donated rescue tubes or fundraising prizes right through to acknowledging the clubs major sponsors, members of our Super Six and Family of Sponsors, I thank you all for being associated with the club and can assure you that your kindness and generosity have been huge contributors to the success of our season.

Other areas of thanks must go out to the band of volunteers who, from the huge efforts and time put in by the members of the junior committee to the club coaches, coordinators and managers, to the parents and helpers who every Sunday as well as at carnivals and whenever called upon just got stuck in and got the job done.

The fruits of your efforts along with the talents and enthusiasm of a great bunch of young developing lifesavers from Tadpoles to Rookies realised amongst others the following achievements:

- A Sunday morning JuniorSurf programme that has consistently been delivered in a professional, well organised manner and has ensured that the opportunity has been given to all junior members to develop their beach awareness, surf confidence and skills as well having an enjoyable learning experience.
- A continuation of competitive successes:
  - Retention of the Auckland Championships Trophy. This was achieved in an impressive manner and by record margins with Red Beach dominating across all ages and disciplines.
  - Retention of the Cath and Eddie Millar Cup for yet another record year. Of note, with the restructuring of this competition, our two teams achieved both first and second places.
  - Performances have continued to improve at Ocean Athletes with our best results to date both in our overall placing as a club (3<sup>rd</sup>) as well as the success of the athletes. The clubs representatives came away not only with a great haul of medals and national titles but also, without exception, some very good performances achieved to the best of their abilities.
  - Red Beach were again represented by two members in Northern's U14 Inter District Team. They were Joshua Pickering-Ross and Tyler Baldwin.

The deck project moved closer to completion when a crane was used to lower the concrete floor panels into position on 17<sup>th</sup> December 2008.

The final concrete pour under way for the new deck on 20<sup>th</sup> December 2008.

- Our Rookies made it a Trifecta by retaining the Rookie Team Challenge Trophy for the third season in a row. It is good to see that our programme is also indicating that we are producing potentially top calibre lifeguards as well as surf athletes.

Looking forward, and while reflecting on a job well done, there are certainly a number of challenges to be tackled to ensure that we are continually developing, refining and reassessing what we do as a club to continue to keep the name of Red Beach JuniorSurf as a front runner.

By being proactive, by increasing communication, by meeting these challenges and demands head on I am sure that members will be retained, that their skills, abilities and enjoyment will continue to grow and we will be proud to be part of the sport and community provider that is JuniorSurf at Red Beach.

On a personal note it is my intention to step down from the role of chairperson and I would like to take this opportunity to thank you all for your assistance and support over the past three seasons that has ensured that the experience has been both rewarding and enjoyable.

I am comfortable that the club is in capable hands and would like to wish my successor and those that are contemplating being part of the team that makes the club tick all the best for the upcoming season.

**Edwin Richards**  
**Chairman – JuniorSurf Committee**

Red Beach competitors and coaches following their win at the Up&Go Auckland JuniorSurf Championships held at Orewa on 22.2.09. The club won by a massive 334 points clear of its nearest rival. It was the club's second consecutive overall points win.

Red Beach's gold medallists at the SLSNZ U14 Ocean Athlete Championships held at Mount Maunganui in February 2009. Back row, from left: Jake Hurley, Izaak Scheib, Jordan Downey, Lewis Gjaltema. In front: Jacinta Borer, Amanda Barnao, Ella Martin.

Red Beach's JuniorSurf competitors, with coaches, at the completion of the Cath & Eddie Millar Cup competition held at Mairangi Bay on 8.3.09. The Red & White teams delivered a rare quinella by finishing first and second in the challenge for the trophy. The winning team also collected the three age group trophies.

## SQUASH REPORT – 2008/2009

Player numbers have again remained reasonably stable this year, however, in going forward we need to be proactive in seeking new members. Auckland squash is currently running a programme to get more women into squash which we will be taking part in.

The courts are busy during the week with interclub on Monday, Tuesday & Wednesday nights, Ladder challenge on Thursday and Juniors on Friday.

Junior Squash was changed this year to be run on a Friday night and continues to be well supported. Feedback has been positive from parents about the change in days. Many thanks to Aaron Webb for organising this, and thanks also to the other members who have helped Aaron out. Orewa College is again using our courts for their squash programme. We are now seeing more Juniors taking the step up and playing Senior interclub.

Numbers were down a bit this year for our B grade tournament in February and we were able to run the entire tournament at our club. The tournament was still a success with players from throughout the Auckland region competing. Our Masters tournament was again well supported with a large entry from outside clubs. Thanks to Gaynor Heather and Ray Beacham for running this tournament. We were to hold a Doubles tournament in June, however, due to the renovations in the changing rooms it was decided to make this a club-only event.

Members playing interclub this year are down from previous years. The teams that are playing are doing very well with several in the running to win pennants.

This year we have a D grade women's team playing in the Auckland Super Champs, to take place 13<sup>th</sup>-18<sup>th</sup> July. The team has been training hard so must have a good shot of winning. Red Beach will this year be putting in a team for the Mitchell cup competition, the elite club competition for women.

Lisa Cowlard competed this year in the World Masters Championship which was held in Christchurch. In the 35-40 year age group Lisa was awesome in picking up 2<sup>nd</sup> place. Sarah Agi also continues to improve, playing in several tournaments and picking up some big wins.

Many thanks to the committee for your efforts again this year for all the hard work. Special mention to Chris Harre who left us in June to pursue his career in Melbourne. Chris had been on the committee for the past 6 years and was club captain for the last 3 years. The work put in by Chris will be missed. We look forward to a successful season next year and enjoying the benefits of the renovations that have taken place in our club.

**Matt Pepper, Squash Chairman**

The trio of Elise Cuff, Georgia Lloyd and Emily Pearce collected gold in the U16 women's board relay at the NZ Championships held at Midway Beach, Gisborne in March.

## Auditors Report:

We have audited the financial statements attached in accordance with accepted auditing standards and have carried out such procedures as we considered necessary.

In common with other organisations of a similar nature, control over the income prior to it being recorded is limited and there are no practical audit procedures to determine the effect of this limited control.

Subject to the possible effect of the limited control over income referred to in the preceding paragraph, in our opinion the financial statements give a true and fair view of the financial position of Red Beach Surf Life Saving Club (Inc) as at 30 April 2009.
